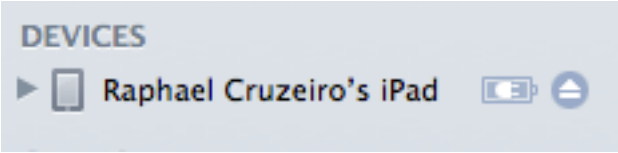
PDF Marker

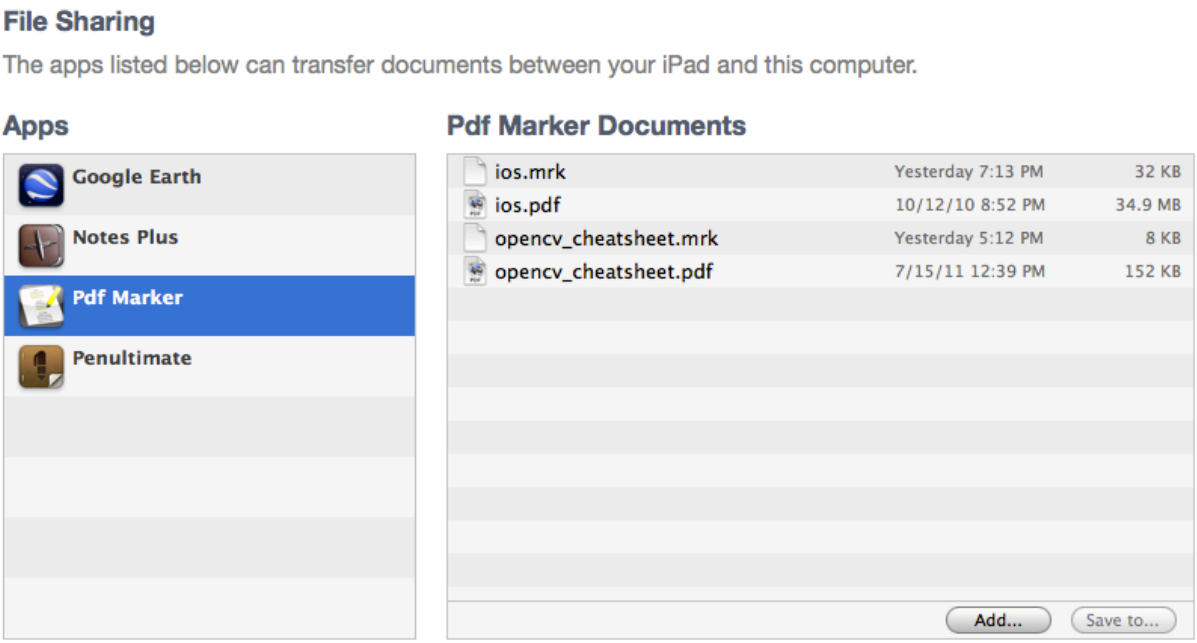
Welcome to Pdf Marker.

Please follow these instructions to add your PDF files to Pdf Marker:

1. Connect your iPad to your Mac or PC.
2. Launch iTunes.
3. Select your iPad from the Device section of iTunes.



4. Click the Apps tab and scroll down to the bottom of the page.



5. Select Pdf Marker and you'll be ready to start adding your files. The **.mrk* files are your annotations of a PDF file and are stored here so you can copy your annotations and your PDF to another iPad.

Thank you for choosing Pdf Marker.
