**Deloitte.**

Deloitte & Touche, LLP - Pittsburgh, PA - 05/2009 - Present  
Senior Designer + Developer Consult

Worked with several talented and seasoned designers at Deloitte's Creative Department. Created brochures, posters and other presentation materials. Was recognized as one of the few people who could deliver flash in a timely manner. Leader of the Brand + Template team.

Contractor - Pittsburgh, PA - 09/2008 - 5/2009  
Independent Contract Developer

Went solo for a short period. Worked with several clients such as Alcoa and Bank of America. Contracted for talented web firms such as New Perspectives, Blatner Brunner. Worked closely with a marketing director, and was able to meet deadlines with limited resources. Received contracts based on word of mouth about the quality of my work.

4C Technologies - Pittsburgh, PA - 07/2007 - 09/2008  
Lead Web Developer

Creative and technical consultant for 4C Technologies. Worked in 4CDesignWorks as senior web designer along side our graphic artist. Developed several robust applications using Lotus Notes as a content management system including e-commerce sites, survey systems and several basic websites. Lead flash developer, used XML to control dynamic content for Notes based applications.

Levy MG - Pittsburgh, PA - 06/2006 - 06/2007  
Interactive Designer

Web designer for Levy MG's interactive department. Designed and developed multiple websites, flash presentations and e-mail newsletters. Was required to take a project from concept to completion on a strict deadline.

# 05. Your developer has completed the following training and conferences:

Designing for Interaction - Pittsburgh, PA - 2011  
Pittsburgh Development Conference

Web Development workshop with Daniel Mall, focusing on HTML 5 and Jquery development.

Web Design Day - Pittsburgh, PA - 2009 - 2011  
Pittsburgh Design Conference

3 Years of a one day conference showcasing development and design theory from the top web guru's from around the U.S.

ITT Tech - Pittsburgh, PA - 09/2004 - 12/2006  
Multimedia Design

Two year program based around graphic design, flash/3D animation and web development. Graduated with high honors and made NTHS. Stayed on an extra semester to teach an after school program on working in a design firm and interacting with clients.
